## Policy

### Name Changes:

Name changes for Students require legal documentation. Based upon Section 1637 of Title 12 of the Oklahoma Statutes states on Name Changes: "No natural person in this State may change his or her name except as provided in Sections 1 to 5 inclusive of this Act, other than marriage or divorce or by adoption. Sections 1 to 5, set out the procedure for changing of names by petition to the court." This includes court orders such as decrees, naturalizations, marriage, divorce, or adoption.

Students using a hyphenated name as a married name, may use their maiden name, by submitting a notarized statement identifying the use of the maiden name on all school records and professional documents. Students who want to use their maiden name to replace a middle name can be processed by the Office of Admissions and Records without a notarized statement.

During the College of Medicine application process, any applicant having a legal change of name must contact AMCAS directly and those changes are reflected in a new download of the electronic information as an update to an applicant record. When a student is accepted, any further changes are maintained according to University policy. **International Students must report all address change within 10 days of the change to the Office of Admissions and Records.**
