RE: Summer 2020 Anatomy, Deviated Finals Schedule

The Department of Rehabilitation Sciences requests permission to use a finals schedule for AHS 8415 Clinical Anatomy in Summer 2020 that deviates from the University schedule. The final exam will be on **Monday, August 3rd from 8:30am – 11:00am**. Students have been notified in writing of the exam date and time. This course contains occupational therapy and physical therapy students, but is listed as multi-level (AHS 3415) with students in the Department of Medical Imaging and Radiation Sciences, who have also been notified of the deviated final.
