As a non-resident student, I reviewed the OUHSC Petition for In-State Tuition Classification and did not qualify for any options provided in the petition to be reclassified.

I understand that the Yellow Ribbon Program tuition waiver is available on a first-come, first-served basis to non-resident students who qualify for Chapter 33 benefits at the 100% eligibility level.

I understand that I will only receive benefits for courses that are required for my academic degree program. If I am repeating a course in which I have previously received credit and a passing grade, I will not receive Yellow Ribbon benefits for the repeated course.

I understand that I am required to submit a completed **Veterans Confirmation of Enrollment Form** to the Veterans Student Services Office listing my current class schedule before I am eligible to receive Chapter 33 education benefits or Yellow Ribbon Program benefits.

I understand that changes made to my class schedule may result in overpayment of Veterans Administration benefits, and that I am fully responsible for any subsequent personal debts for overpaid funds I received from the VA and to the institution for any unpaid balance.

I understand that recipients of Yellow Ribbon Program benefits are required to maintain continuous enrollment and good academic standing with the University. I also understand that OUHSC will determine on an annual basis whether to continue participation in the Yellow Ribbon Program.
