## **Letter of Intent to Establish Oklahoma Residency**

Section 702 of the **Veterans' Access, Choice, and Accountability Act of 2014** and the **Isakson and Roe Veterans Health Care and Benefits Improvement Act of 2020** requires colleges/universities to classify eligible students using Chapter 30 Montgomery G.I. Bill®, Chapter 31 Veteran Readiness and Employment®, or Chapter 33 Post 9/11 G.I. Bill® as in-state for tuition purposes.

Both laws require students to submit a letter of intent to establish Oklahoma residence along with residing in the State of Oklahoma while enrolled at the institution. This statement may serve as the letter of intent when completed and returned to the Office of Admissions and Records.

**My signature below indicates that I intend to make Oklahoma my state of residence. Attached is a Certificate of Eligibility with entitlement or a VA Form 28-1905 for one of the bills below:**

- Chapter 30 Montgomery G.I. Bill® (Active Duty)
- Chapter 31 Veteran Readiness and Employment (VRE)
- Chapter 33 Post 9/11 G.I. Bill® (Veteran)
- Chapter 33 Post 9/11 G.I. Bill® (Dependent – “Transfer of Entitlement”)

I confirm I am pursuing a course of education with assistance under Chapters 30, 31, or 33.

Individuals who meet the requirements will maintain in-state status as long as they remain continuously enrolled at the University of Oklahoma Health Sciences Center, even if the term of benefits expire or educational assistance is exhausted under Chapters 30, 31, or 33. In-state reclassification is not granted on a retroactive basis.

The complete policy is located online at the Oklahoma State Regents for Higher Education, Section 3.18.7 B.
