

Final Examination Schedule Variations  
Department of Medical Imaging and Radiation Sciences

Fall 2023

Final examinations are given according to the University of Oklahoma Health Sciences Final Examination Schedule with exceptions noted below. The following courses meet on irregular days and at irregular times. The final is being scheduled at an alternate time than the OUHSC prescribed time to appropriately space examinations through the last week of class and finals week.

The final examination date and time is announced to students on the course syllabus/agenda distributed at the beginning of the semester.
